

How to pay your membership fees

Senior club members

All subs need to be paid **via direct debit** please ensure the following is done **before end of August**.

- This is to give us time to organise collection of the first payments at the beginning of October.
- If you don't enter a payment preference, then we will assign you to the relevant bi-monthly payment category.
- The way the direct debits work with Go Cardless means that **you will be notified** in advance of payment being taken from you, once taken your balance will automatically be updated.
- Players that have now moved into year 10 at school become full members of the senior club and will pay the years 10-13 and student subs, via direct debit.

Junior club members

- Players who are still U14 Truro Juniors (Year 9 and below) but are also playing in the senior teams will only need to pay **Junior club fees**.
- U14 junior parents please ensure you DO NOT set up a direct debit as junior fees are collected separately.

Nigel Barker will be sending out these payment details at the beginning of the season.

Follow our step by step instructions>>

Nett

Step 1:

To set up a **direct debit** with Truro Hockey Club go to **www.trurohc.co.uk** and login.

Select my player > my profile > direct debit. (There may be some load time for direct debit button to appear)

If there is a green tick next to direct debit you have one set up, if there is a red cross then you don't. **Click on direct debit** to set up.

Step 2: **OCIUBBUZZ**

Open Club Buzz app. Select "**My player**" from the bottom menu bar and select "**My profile**". (Direct debit should now be showing as active) Click "**Update details**".

Scroll to the bottom of the page to **"Subs payment preference"** and select your appropriate and preferred option. (see full list below)

Then select the cloud icon in top right corner – very important as this saves your selection!
